THURS**SUNDAY Sport THE VOICE OF YOUR BRITAIN**

What happened to innocent until proven guilty?

CULPRIT?:
Has Theresa
May been
too quick to
blame Putin

VICTIMS: Sergei and Yulia Skripal were attacked with nerve agent anyone could get

ONE of the cornerstones of Britain is the time-honoured phrase: Innocent until proven guilty.

It's why much of the civilized world has embraced and copied our legal system.

It works because it's decent.

Because the burden of proof ALWAYS lies with the prosecution.

But in the case of Prosecutor-in-Chief Theresa May, the evidence that the Russian state is behind the sickening attack on double agent Sergei Skripal and his daughter is at best flimsy and at worst non-existent.

Of course, it's easy to point the finger at the Russians, for obvious reasons.

Sergei Skripal was once a Russian agent. He then betrayed his country, who jailed him as a traitor, released him to live in the leafy English city of Salisbury, and, if we're to believe what we're told, waited eight years to try to kill him on British soil.

Why here? Couldn't they have bumped him off in a Siberian gulag and blamed it on a fight?

We're also told the deadly nerve agent Novichok used in this attack could "only" have come from Russia as that is where it was invented – some 40 years ago.

There are many reasons why the Russian state may indeed be behind this attempted assassination – and let's not forget the brave British cop who fell ill after going to Mr Skripal and his daughter Yulia's aid.

But there are also reasons why it may NOT be.

As much as it's painful to admit, Jeremy Corbyn may just have a point.

Because we have been here before, haven't we?

Our MI6 and America's CIA supposedly gave Tony Blair and

George W. Bush solid, "cast-iron" evidence that Saddam Hussein was in possession of weapons of mass destruction.

That was all that was needed to give the green light to a coalition of nations to go and bomb the hell out of Iraq, kill hundreds of thousands, at a cost of untold billions, and to then leave behind one almighty mess.

Our intelligence services also told us that Osama bin Laden was hiding out in the remote Tora Bora caves of Afghanistan.

Which gave us the excuse to go and bomb the hell out of that sovereign nation, remove the Taliban, then back off, let the Taliban quietly back in again.

Enemies

And not find Bin Laden, because he was hiding in plain sight in an entirely different country – Pakistan, as it turned out. And leave behind another almighty mess.

Then there was Libya, where... OK, you get the picture.

So let's call a spade a spade. It was fake news – much of it peddled by that delightful man Alastair Campbell, Blair's one-time bully-boy henchman.

All of this make-believe is bad for business, too.

With Brexit looming, the UK frankly needs as many friends it can get – not be making enemies on flimsy flights of fancy to make Mrs May look popular.

The truth is, we don't KNOW what

the truth IS anymore because experience tells us that what a Government presents as fact may well be fiction.

There's a reason why many countries have similar nuclear arsenals, and it's a very simple one: We all nick the mechanics off each other through the work of our spooks and their contacts.

So there is, at present, nothing to confirm that this Novichok nerve agent actually came from Russia.

There is nothing to confirm that a sinister servant of Russian President Vladimir Putin is lurking in the bushes carrying a fizzing bottle of the stuff.

Who's to say this poisoning wasn't a set-up by one of Putin's rivals back home who wanted him to suffer sanctions?

Especially as TODAY he faces an election?

At the moment, all we actually know is that anyone could be behind this, with a name not necessarily ending in "ski".

Yet we're kicking out a load of diplomats and imposing yet more sanctions upon a country that is not exactly backward in coming forward. Mrs May is seriously poking the Russian hornet's nest. Is that in any way sensible without proof?

One thing we definitely DO know is that unlike Saddam's Iraq, Russia DOES have nuclear weapons.

Between Vladimir Putin and Theresa May, who do you honestly think would blink first?

LEGEND DON MCLEAN IS BANGING PLAYBOY MODEL, 24

By BECCA STUBBS

becca@sundaysport.co.uk

AMERICAN Pie legend Don McLean bagged himself a slice of the very best type of pie, it seems – as he leaves a hotel with his *Playboy* model girlfriend Paris Dylan.

Don might be knocking on at the age of 72 but he's shocked fans with his sexy 24-year-old bird.

They were snapped leaving his London hotel together and Paris even accompanied Don as he visited a BBC studio last week.

Describing herself as a 'superfan', Paris said last year she watches Don's music videos every single day.

Paris is no stranger to life in the public eye as she's posed completely nude for *Playboy* in the past, gripping a tight

pole in one video as she flashed her boobs and neatly-trimmed minge.

Now it seems it's Don's pole she's grabbing, but it doesn't seem to have distracted the star, who's busy working on a new album and getting ready for a 14-date UK tour.

EX-LFC defender Jamie Carragher is suspended from Sky Sports after being filmed spitting at a Manchester United fan.

BRITAIN mourns the loss of its third genius in as many days, as the ex-Bullseye host Jim Bowen joins comedian Ken Dodd and Professor Stephen Hawking at the pearly gates.

So sad. It only feels like a couple of weeks ago they all met up for a pizza in Salisbury.

GLAMOUR girl Katie Price tarnishes her reputation as an animal lover by turning up at Cheltenham Races wearing raccoon fur.

You'd think she'd feel more kinship with a beautiful creature sporting two black eyes. Particularly after she goes jogging without a bra.

Katie has never worn raccoon in public before – but she did give a flash of beaver in that video with Dane Bowers.

**FRIDAY**

NEW government leaks suggest the Russians poisoned Yulia Skripal and her father Sergei by planting the deadly chemical Novichok in her luggage as she flew from Moscow to London.

As if that's not bad enough, they didn't even put it in a 25ml container inside a clear plastic bag. Unforgivable.

A MUM is ordered to pay compensation after her boisterous son blinded another boy while playing crazy golf.

DRINK AND INKING: Tom had a skinful before he cut off offending tattooed arm

SORRY: Carragher's gobbing sparked chain of sad events

A LIVERPOOL fan who loved Jamie Carragher so much he had his face tattooed on his right forearm was so furious at his hero's latest antics he had it removed.

But instead of waiting for laser removal after the ex-England international was caught spitting into the face of a 14-year-old last week, furious Tom Ward CUT OFF his arm at the elbow in a drunken rage.

Tom, 35, from Walton, Liverpool, said he was "guttured" that Carragher – now suspended from his pundit role on Sky Sports – had done

something so atrocious and felt he had to act.

But he admitted he now regrets the self-surgery, which he carried out with a serrated kitchen knife.

He explained: "Carragher was my ultimate hero. He embodied everything that is LFC.

"He didn't have the skills of Stevie G but he always worked hard.

Unforgivable

"But what happened with that little girl was unforgivable. I'd given my heart and my forearm in my worship of Carra and this is how he repays me.

"Admittedly, I was very drunk at the time. I'd been on the Stella and Sambucas all day and was wasted when I got in.

"I fetched the bread knife from the kitchen drawer and just went for it. Despite all the booze it was really painful – and dead messy, too.

"There was blood splattering everywhere and just the sight of it was starting to make me want to faint.

"I got half way through, gave up, and called an ambulance, but the doctors couldn't save it. They gave me the bad news the following morning.

"I must admit that they weren't overly sympathetic about it, but maybe they just don't understand what it's like to be a football fan.

"I feel quite stupid now, to be honest. But Carra should never have done that."

An NHS source said: "It's always best to avoid trying to cut off your own arm.

The supermodel and ex-One Direction star announced last week they'd broken up after more than two years together.

Zayn, 25, confirmed the reports in a tweet, saying that they'd both had an "incredibly meaningful, loving and fun relationship".

Home & Away star is banged up five years for sex assault

A FORMER *Home and Away* actor has been jailed after being convicted of aggravated sexual assault.

Martin Peter Lynes, 50, was sentenced to five years' imprisonment with a non-parole period of two years and six months at Parramatta District Court on Friday.

The Judge, Robert Sutherland, described the assault as part of a "toxic" and "tumultuous" relationship, it was reported.

He told the court: "The event for which the offender is to be sentenced was very serious and is to be deplored."

Charges were in relation to attacks on a woman at a home in Bateau Bay in New South Wales in 2015 and 2016.

The jury found him guilty of a sexual assault charge, which occurred during a fight at his home.

He was found not guilty for two others charges of assault and sexual intercourse without consent.

Lynes (*above*) is best known for playing Adam Sharpe, a mentor to Steve Peacocke's Brax, on the popular Australian soap, aired these days on Channel 5.

Downstairs hair women pulled more

EXPERTS have revealed that ladies who sport a full bush are more likely to get laid.

Even though 84 per cent of women say they regularly get rid of their pubic hair, boffins say a hairy fanny could be a key to women pulling.

Gynaecologist Dr Alyssa Dweck claims the pubes trap pheromones – a hormonal substance that can have an impact on men.

Explaining that the pubic hair acts as a "bullseye" Dr Dweck said: "This can help you attract mates."

"Evolutionarily, the function of pubic hair was to draw attention to the genitals."

Whilst plenty of celebrities are rigorous about their body hair, sexy supermodel Ashley Graham, 30, has previously admitted to letting her downstairs hair grow.

She said: "Honey, I have a full bush. Period. It's about your preference and your partner's preference."

A SEX attacker has been banned from the whole of the London Underground after whipping his cock out and rubbing it against women on the Tube.

Malcolm Schwartz (above), of Eltham was spared jail and received a 62-week suspended prison sentence at Blackfriars Crown Court.

The first offence was on a busy Central Line train between Mile End and Bethnal Green at 8.30am on December 14.

Schwartz's got on and approached a 26-year-old woman, exposed himself and pressing himself against her.

The following month, on January 8, he targeted two women in the same morning, doing the same thing.

The fourth incident took place at Bethnal Green station, where Schwartz stood behind his victim, touching her inappropriately.

He has been banned from traveling on the London Underground and from sitting next to a lone woman he does not know.

A MAN declared dead two years ago has lost his appeal to overturn the paperwork and be named officially **ALIVE** again.

The unnamed man, 63, said he was pronounced deceased after leaving his wife in Romania and moving to Turkey.

Because she had no contact with him for more than 10 years she told local authorities her fella had kicked the bucket.

But when he was deported from Turkey for not having a visa in 2016 he found out he was dead in his native country.

His attempts to have the decision overturned met with a brick wall until he finally managed to get in front of a judge to tell him: "I'm alive!"

However, the court ruled he must stay dead because of an error on his paperwork.

He said: "I cannot get a job, I can't do anything."

SESSION:
But that's
just for
starters...

I just love sex...I'm on the pill so who cares?

RANDY couple Sarah and Jacob are now in their third year at a University in Liverpool and they've been attending anything-goes sex parties throughout their time as students.

"It started in the first year really, I met Jacob on a night out and we both knew it wasn't anything serious – just a shag whenever we fancied it," said Sarah.

"Turns out we were horny all the time and were constantly at it but, after a while, it got boring just the two of us.

"We went online to try to find someone for a threesome but ended up reading about the sex

parties on the online message boards.

"I'd be lying if I said we weren't nervous about going to the first party, but just an hour in and I was already on my knees with two cocks to suck.

"Jacob was enjoying himself lapping up the juices from another girl's pussy while at the same time plunging his cock into a horny babe.

Orgies

"It was amazing and it was the first time I felt that every hole was fully satisfied.

"I've tried tons of firsts at our secret student sex orgies – I've licked a girl, given out a

double blowjob and even broken my anal cherry.

"Over the years, we've had our fair share of orgies in various student houses and they've all been memorable for different reasons.

"There was the time I had my first taste of pussy in a lesbian '69' and then there was the time we were in a group shag with another eight people and I had no idea who was doing what.

"But my favourite memory has to be when I had three cocks pleasuring me – one in my bum, one in my pussy and one stuffed down my throat.

"I've lived for these sex

parties over the years and I'm on the pill and we always use condoms so there is no risk.

"Students don't drink as much any more because we're all much more health conscious these days, so instead we all get together and shag.

Skills

"I'd heard people saying that uni were the best years of their lives and now I completely get why.

"Exams and lectures are just a by-product and if I get a degree then great – but the shagging I've had is all the life skills I'll ever need!"

Flight girl's horror over tossing man in next seat

A PLANE passenger was left horrified when a bloke sat next to her and WANKED himself off during a flight.

But when she then complained to staff on Tigerair, they ignored her concerns and she was left sat next to the masturbator for the rest of the flight.

The unnamed lady boarded a flight from Brisbane to Sydney last month and sat at an empty window seat before she was joined by the randy man who began rubbing his cock.

She later said: "He sat down, he had his sunglasses on and earphones in, he smelled of alcohol, and the entire time he was rubbing his genitalia."

"He did it the entire time - changing hands, clenching his fist, holding his dick and rubbing it back and forth. I kept thinking, 'Is that actually happening?'"

After 10 minutes, she alerted one of the flight attendants who said the man needed to go to the toilet but failed to do anything to stop him tugging.

Tigerair released a statement saying: "We have a zero-tolerance policy for inappropriate behaviour of any kind and are we're reviewing the incident."

Reality star's bellend stung

A REALITY TV star got stung on the COCK by a wasp while filming *Naked And Afraid*.

Duke Brady (above) is spending his 21-day adventure cut off from mankind and totally naked for the popular Discovery Channel show.

But he had to call for medical help when Yellow Jacket wasp flew on to his todger and stung him on the bellend.

And the sting caused his knob to swell up to enormous proportions.

He said: "Of all the places for it to sting me. I was nothing but exposed skin, and it stings me on the end of my, um, well, it really hurt."

But he bravely carried on in the show saying: "The producers had to 'pixelate a lot more...' because it got really big."

"It's underrated and very intimate, as you're face-to-face."

She added: "It really hits the spot for me. It always helps stimulate me – but it needs to be taken really slowly."

Oxford student's bare boob protest

ANGRY student Hannah Carpenter is protesting the hypocrisy of public nudity culture by getting her boobs out!

The sexy 20-year-old is running a political campaign to ensure equality between the sexes when it comes to going topless.

And after six months of letter writing, public petitions and door knocking she has resorted to the ultimate protest – vowing NEVER to wear a top again until women and

men are treated the same way when they go bare-chested.

Hannah, who studies French at prestigious Oxford University, said: "Last summer I saw the boys playing football in the park with their tops off. No-one batted an eyelid.

"But when I took my bikini off and played Frisbee the whole park stopped to look. It was really sexist.

"I won't stop until female toplessness is recognised as a right."

Train w*nk perv shocks commuters!

A SHOCKED commuter copped an eyeful as a randy stranger started TUGGING his cock while sat in front of her on the train to work.

The 29-year-old woman managed to snap a photo of the horny fella (above), who'd whipped out his knob for some self-loving.

And the bloke didn't seem to care who saw his antics as he pulled on his member in the middle of the carriage.

Police in Brooklyn, New York, are now on the hunt for the pervert who pleased himself on a northbound Q train.

In the pic, the bloke is sat underneath a poster advertising the Broadway show *Kinky Boots*, with a look of satisfaction etched on his face.

One passenger said: "He didn't have a care in the world, he just got out his dick and started rubbing it. I don't know if it was to completion – I hopped off before I could see the mess."

WE know it has its faults, but isn't the internet a wonderful thing?!

Here we have NINE fit women in various states of nakedness who have posted their intimate bathroom photos online.

It's a craze that started – like most things – over in America which has now moved over to Blighty where enlightened young Brits are celebrating their bodies.

Dr Claire Heseltine, who teaches Internet and Society Studies at the University of West Lancashire, said: "As the internet expands, so does the liberation of society."

Wary

"Just remember, many young adults have never known life without the internet so appearing nude online means less to them than to older, and perhaps more wary web users."

"And for some folk, sharing an intimate selfie is an act of liberation."

Dolphin sex perv slams 'unreal' film

A SELF-CONFESED dolphin shagger has slammed Oscar winning movie *The Shape Of Water* for not showing a realistic relationship between a human and a marine creature.

The flick, which stars Brit actress Sally Hawkins as deaf cleaner Elisa, sees her fall in love with an animal called 'The Asset' – a fish-man who is kept in a laboratory.

The pair shag, but committed zoophile Malcolm Brenner (above) says he wishes the film was more realistic.

He said: "I'm sure a lot of the good liberals who criticised me for making love with a dolphin loved this film because the hero was a featherless biped. If 'the asset' had been a dolphin, it wouldn't have been anywhere near as popular."

"Given the course of the development of their relationship, it seems natural, though I must say, I find a dolphin a lot more sexy than that thing."

Women warned over fake bushes

DOCTORS are warning women to be careful when they wear public hair wigs – because the glue used to attach them may cause health issues.

Pube wigs, also known as merkins, are back in fashion as a trend for women to grow their fanny hair takes hold.

But women who had their minges lasered to stop hair ever growing are now struggling with the latest fashion and are using merkins.

Dr Vanessa Mackay, for the Royal College of Obstetricians and Gynaecologists, said: "The use of glue or double-sided tape around the vulva can affect the healthy balance of good bacteria and pH levels inside the vagina which are there to protect it."

Experts say women who can should grow their hair and if they're bald just leave it that way.

"It was absolutely revolting, I have to say. But the security men were on him in a flash."

Mess

"He was rugby-tackled him to the floor, which couldn't have been nice – what with his old chap out and stiff as a board, and all the salad mess and everything."

"As if I didn't need an

The supermarket – which cannot be named for legal reasons – said it had beefed up security and CCTV in response.

Ingle, from Lymm, Cheshire, did not give evidence in court. He pleaded guilty to outraging public decency with diminished responsibility and will be sentenced after psychiatric reports have been prepared.

Probe into 'army sex pics' leak

THE U.S. military is looking into reports of sex photos featuring female service members that have been illegally shared on social media.

Marine Corps officials have called on the Naval Criminal Investigative Service after revelations that 267 images were shared in a Dropbox folder called Hoes Hoin'.

Vice reported that most of the images in the folder show women in military clothing, adding: "Some of the photos are selfies, others are taken by another person."

"Some show women performing sexual acts. A few are of service members fully clothed – in an apparent attempt to shame or discredit them."

"Finally, some photos are crude collages showing a fully clothed service member in uniform on one side and a nude photo of the same woman on the other."

A spokesperson for the Pentagon said the Defense Department was "aware of reports and would investigate and prosecute".

HOOKEER'S KINKY OFFER

YOU CAN HAVE ME & MY GRAN TOGETHER

COME AND HAVE A PRO: Stacey (left) and her gran Muriel make a double sex act for cash

A PROSTITUTE is offering a specialist service for greedy punters – sex with both her and her GRANDMOTHER.

Birmingham call girl Stacey Marney reckons the 'Buy One Get One Free' deal is too hard to resist – and claims four fellas have already taken her up on the offer.

Stacey, 22, and gran Muriel, 68, say they tend to tag-team rather than enjoy a straightforward threesome, a bit like the wrestling teams of the 1970s.

Stacey said: "My gran used to work the streets when she was younger and when I told her what I was up to you, it really piqued her interest."

"You know what they say – you can take the girl out of the street, but you can't take the street out of the girl."

"I'm just delighted to have been able to help her."

Bored

Muriel, who last worked as a barmaid before retiring three years ago, said: "To be honest, I was bored doing nothing."

"I always thought being a prostitute was a noble job because you're providing a special service for people who may not be getting it elsewhere."

"The prices have changed a bit over the years but it's still very reasonable – £15 for a blowjob, £30 for straight sex and £50 if they want to smash my back doors in."

"Obviously, I'm getting on a bit so some of the cheeky beggars ask me

By **BARNEY SAMUELS**

to take my teeth out for an extra gummy effect.

"But what's great about working with my granddaughter is that her looks obviously reel the men in, but my experience is also a draw."

"Plus, I think the punters are just excited at the thought of having the pair of us in the altogether while they make their mess."

Stacey says her one regret is not encouraging her mum Val – herself also a former prossie – to make it a three-generations job.

She said: "We had a long chat about it and she doesn't have a problem with what we and Gran are doing."

"She gave it a bit of thought but I think she's happier working in Greggs."

CHEL TENHAM GOLD GG CUP

Rachel's flash for winner hubby

MEGA-BUSTY Rachel Hampton gave her hubby a very special treat as a reward for winning £500 on the Cheltenham Gold Cup – a photo of her massive boobs in his favourite newspaper.

The 40GG babe, from Lancaster, said: "I was furious when my Jack stuck £100 on Native River to

win the race on Friday, and I told him he was an absolute bellend."

"But then his horse came in and he's treating me to a weekend away."

"So I want to make up for how I treated him by getting this snap in *Sunday Sport*. He'll love it!"

STOCKING THRILLERS!

Sizzling new book celebrates sexy legwear

By **REX ROWLANDS**
rex@sundaysport.co.uk

GORGEOUS women lounging around in nothing but their sexy stockings and tights, with boobs and even fannies on show...

That's what a brand new book has in store for fellas with a taste for ladies in hardly any underwear!

The tome – called *Young Nylon Beauties: Hot and Naked* – is the work of lucky snappa Mark Novak.

The models are all hot and don't suffer from false modesty.

Art

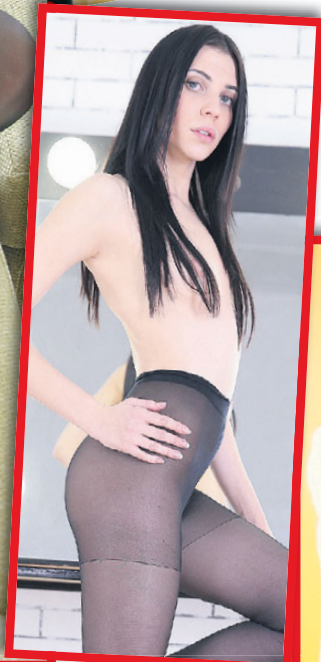

Mark shoots them from the front, from behind, from above, below and in between – no detail is left out, nothing escapes his camera – including minges.

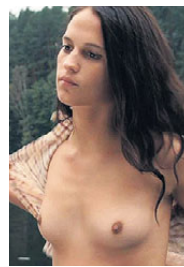

That means the hefty book – published by quality outfit Goliath – is first rate for a tug as well as being culturally sound.

Sunday Sport's respected art critic Quentin Lunge said: "The form and shape shown here is exceptional. The pictures convey a post-modern eroticism which evokes the work of Iannone or Chagal."

"Perhaps more significantly, the glossy pages they're printed on are easy to wipe clean."

HOLD-UPS: Fellas will want to stop what they're doing to ogle the book's stunnas

New Lara's 'too small' for part!

PERT Alicia Vikander's casting as video game babe Lara Croft has been slammed by fans because her boobs are **TOO SMALL**. The new movie is a reboot of the Tomb Raider franchise which saw mega-knocked Angelina Jolie fighting monsters and bad guys in tight clothing.

But the new version is supposed to be more female friendly – with Lara as a role model, not a sex object.

One pissed-off fan wrote online: "Do I have to be the asshole who says, 'Her tits are too small for me to see her as Lara Croft'? Do I have to be that guy? Do I have to be the one who f**king says it? I guess I do. Sorry."

A Hollywood source added: "This is the modern era and we don't need to see women as sex objects any more. Anyway, Alicia's got a lovely little pair – you could fit a whole one of them tiddies in your mouth."

Steamy sauna CCTV hacked

WEB hackers took control of a sauna's CCTV and streamed video of women getting changed online.

The victims include the Dutch Nation Handball team who were filmed nude in the steam room at a spar in Holland.

The sauna's owner, Van Ingen Schenau, said: "I received a mail with a photo, a still from a video of one of the security cameras, with a warning that the images would go online if I did not remove the cameras."

Although he followed orders, the images went online in December.

It is possible that the perpetrator shared hacked footage it with a pal, who still wanted to share it.

Man shat in pint glass when all-you-can-eat buffet ran out

FAT CT: Bob saw red**

A BLOKE shat in his pint glass in protest when an 'all you can eat' restaurant's buffet RAN OUT of food.

Bob Ricket, 40, said he saw red when his Chinese feast came to an unexpected standstill.

Jobless Ricket was at Mr Chow's Happy Bowl in north London when the supply of noodles, spare ribs, egg rolls, dim sum, etc came to an end.

Hungry

Pleading guilty in court last week to outraging public decency, he told magistrates of the incident on Jan 2: "I'd only been there for three hours."

"I can normally do a good six heaped plates in that time."

"But they clearly don't really believe in the 'all you can eat' deal because a hungry man like me can eat all day long. I don't stop. I'm like those people with that syndrome where the stomach doesn't tell the

By **NICK APPLEYARD**

brain it's full."

Recalling the pint pot shitting debacle, Bob said: "I did in nine plates and was ready for nine more when the staff said they'd run out of food."

"All that was left was f**king chicken and sweetcorn soup. Who the f**k likes that shit?"

He added: "A fuse blew inside my head. I had an empty pint glass on the table and I just thought, well, sod you, dropped my trousers, and curled one off into it."

"It wasn't a massive turd but you'd certainly notice it. I'm not going back there ever again. They've lost my custom."

A spokesman for the restaurant said: "That man is not welcome here. He's a disgusting fat c**t."

Ricket was fined £350 and given 100 hours community service.

Woman sues for £1m over 'drag queen boob attack'

A WOMAN is suing a restaurant for £1million after being injured by a drag queen's BOOBS!

Neldin Molina, from Florida, claims she suffered "excruciating pain" after a drag queen wiggled her breasts against her head.

Molina was dining at Hamburger Mary's on May 30, 2015, when the incident happened.

In the lawsuit, she said she was eating dinner around 8.45pm when music began to play and a person on a microphone announced that a drag queen show was about to begin.

Molina said the performer, Amanda D'Hod, approached her table but she ignored her.

The drag queen then returned to Molina's table, "grabbed her head" and "wiggled her breast against the plaintiff's face and head eight times".

The lawsuit also alleged that D'Hod "grabbed Molina's face and pushed it to the left and right before violently pounding it against D'Hod's chest up to nine times".

Molina is now seeking "medical costs and expenses for the past, present and future, including the pain and suffering she physically and mentally endured".

Electric boss in shock sex video

A POWER grid manager accidentally broadcast himself SHAGGING a colleague when he forgot to hang up his video conference call.

The unnamed man from China's Southern Power Grid had been on a five-way call with staff from all over the country.

When the meeting was over he took advantage of the empty room to get jiggy with a younger lady, pulling up her skirt and talking her on the boardroom table.

But he hadn't hung up his conference call, allowing the people on the other end of the live video chat service to see what he was up to.

Two electricity provider employees were arrested after sharing the raunchy footage online.

The manager has been identified on some social media channels but says he is being framed.

IT'S DONALD BUMP!

CHANCE MEETING: Dan says the president swept him off his feet in a Walmart

I'M TRUMP'S SECRET LOVER...AND I'M HAVING HIS BABY

HAIRO: Dan says Trump's barnet is a thing of great beauty

AN unemployed ranch worker claims he is pregnant – with the child of U.S. President Donald Trump.

Dan O'Toole claims The Donald got him up the duff after a chance encounter in a supermarket near Don's luxury 128-room private club in Florida.

He says he "literally bumped into" the president in the world foods aisle in a Walmart store close to his magnificent 'Winter White House' Mar-a-Lago villa.

Proudly showing off his 'baby bump' Dan, 47, said: "I know it sounds quite extraordinary but under the eyes of the great God almighty himself, I can

only tell the truth.

"I was trying to decide whether to buy rice or couscous or maybe even both when I suddenly looked up.

"If memory serves correctly, he was perusing the various olive oils, although I don't think he ended up buying any.

Unimaginable

"We got talking, and he invited me up to Mar-a-Lago, saying he often took people he'd just met over there.

"Well, who is going to turn down the President of the Free World? I'm

his No.1 fan so not me, no sirree!

"So we went back to his home of unimaginable expense where within moments he'd swept me off my feet.

"I don't know how it happened, as it was a first for me, but the next thing I know I'm making sweet man-love with The Donald.

"The thing I remember most was trying to run my fingers through his

beautiful hair, but he kept batting my hands away. I'm not sure why. If I had such a healthy mane like that I'd want the world to feel it."

Sipping a suspicious-looking drink, Dan said he found out later that he was with child, and claims Trump is the father – although *Sunday Sport* has been unable to find any medical professional to confirm Dan's claims.

The amazing true story of Eric Liddell

HEROIC:
Liddell
captured
400m
Gold at
the 1924
Olympics

By **WENDY THOMAS**
news@sundaysport.co.uk

IN 1981, a low-budget British film called *Chariots of Fire* caused a sensation.

It focused on two runners – a Jewish Englishman, Harold Abrahams (played by Ben Cross) and a devout Christian Scotsman, Eric Liddell (played by Ian Charleson) – who represented Blighty in the 1924 Paris Olympics.

Now a new film, *Wings of Eagles*, with Joseph Fiennes (*Shakespeare in Love*) starring as Eric Liddell, depicts his equally dramatic later life in China during WWII.

To celebrate the film's release, we look at Liddell's amazing story and how these two movies were inspired by the remarkable man.

As shown in *Chariots of Fire*, it's true that Liddell made headlines during the Olympics by refusing to compete in the 100 metres because his heat was scheduled on a Sunday.

He had found out several months in advance and the British Olympic team fitted him into the 400m race instead.

Record

By winning the 400m Gold, he cemented his reputation as an extraordinary athlete and a man of unshakeable conviction – and these same religious beliefs helped him in his difficult last years, as shown in the new film *Wings of Eagles*.

Liddell's 400m victory was an Olympic record at the time, and he reportedly got the crowd going with his unorthodox run.

He ran the first 200m in a very fast 22.2 seconds – considered by experts to be foolish as it was barely slower than his 200m personal best.

But he increased his lead in the latter stages, beating the competition by nearly a second.

Propelled by Vangelis's iconic score, *Chariots of Fire* stirred audiences and won four Academy Awards, including Best Picture. It was the first non-American film to win since *Oliver!* won Best Picture in 1968.

At the end of the film it was revealed that Liddell, like his parents, had later become a missionary in China and died there in 1945 during the Japanese occupation. And this is the tragic

WAR GAMES:
Liddell raced a Japanese officer to win medicine

tale depicted in *Wings of Eagles*.

Co-directed by the veteran Hong Kong filmmaker Stephen Shin and Canadian Michael Parker, it focuses on the final years of Liddell's life, when he was held in a Japanese labour camp in Chinese coastal provinces.

With its themes of religion and wartime aggression, this unofficial sequel required some careful negotiations with the strict Chinese censors.

"It means a lot to me to be able to tell this story of an Olympic champion who came to China and sacrificed so much to help others," Shin, 66, said.

"These days, I'm not so much into making movies for money or fame any more. I'm old now, I just want to make movies with good stories."

The director first learned about Liddell's life while working on a project related to the 2008 Beijing Olympics.

Liddell was born in China to

Christian missionary parents and died there, so some refer to him as the country's first Olympian.

In the years following the Olympics, Shin's idea of telling Liddell's story expanded into a personal project devoted to broadly understanding his subject's life in China.

He and his collaborators consulted Liddell's daughters, who live in Canada, and the Eric Liddell Centre in Edinburgh. They tracked down survivors of the camp and interviewed people who had lived nearby.

In the end, they produced a documentary and a book to accompany the movie.

The film shows Joseph Fiennes, as Liddell, at the internment camp during 1943 and flashes back to his years in a Chinese coastal city as a teacher and missionary following his Olympic victory.

After the Japanese invade, he

sends his pregnant wife (played by Elizabeth Arends) and their two daughters to safety in Canada.

At the camp with many other civilians from Allied countries, he finds himself as something of a leader, helping to find supplies for prisoners with assistance from sympathetic Chinese.

In one scene, an unwell Liddell runs a race against a Japanese officer in order to win medicine for a prisoner who's dying – echoing his earlier Olympic glories.

Kill

Yet despite the story's emphasis on heroism and self-sacrifice, the director acknowledged that China's film censors had to be placated. Depictions of Japanese soldiers during World War II, for example, are still regarded warily by China's ruling party.

In the script, a nurse in a hospital said to the invading

Japanese soldiers: "This is a hospital. Everyone in this hospital is equal."

But the director explained that the censors thought audiences might misunderstand because, in the eyes of the Chinese, the Japanese were not equals, they were invaders.

It was changed to have her say: "This is a hospital. We are here to save people and you are here to kill people, so I would ask you to please leave."

But in the end, Shin said, the script was approved with only minor changes.

Liddell sadly died just before the camp was liberated at the end of the war. But you'll have to watch *Wings of Eagles* to see how heroic the last years of this remarkable man truly were.

Wings of Eagles is out on Digital HD on March 12 and DVD on March 19.

10 things you didn't know about RUSSIA

FROM poisoning spies to a possible boycott of the World Cup, Russia has been grabbing the headlines recently.

The nation and its president, Vladimir Putin, 65, have come under global attack for the nerve gas attack on spy Sergei Skripal and his daughter, Yulia, in Salisbury, Wilts.

Here's 10 things you didn't know about the Ruskiies...

1 IN Russia, you're a wimp if you pull down the flaps on your fur hat – unless the temperature drops below -20C.

2 BY the age of 18, Vladimir Putin had achieved a black belt in judo after taking it up to avoid being bullied. He still practises the martial art in his spare time and released his own judo DVD in 2009.

3 MOSCOW has often been voted the world's worst for traffic. To avoid jams, wealthy citizens hire ambulances for £120 to cut through the crowds.

4 PUTIN allegedly stole a Super Bowl ring from Robert Kraft, the owner of the New England Patriots. Kraft said: "I took out the ring and showed it to Putin, and he put it on and he goes, 'I can kill someone with this'. I put my hand out but he put the ring in his pocket, and three KGB guys got around him and walked out."

5 A MUSEUM in the city of St. Petersburg has on display what it claims is the monk Rasputin's severed penis.

6 IN January 2007, Putin brought one of his pet pooches to a meeting with German Chancellor Angela Merkel – to intimidate her, knowing she has a fear of dogs.

7 THERE are around 10 million more women in Russia than there are men. The imbalance is believed to be the result of so many men being killed in World War II.

8 PUTIN is a huge fan of The Beatles – he loves Paul McCartney and his favourite song is Yesterday.

9 LAKE Karachay, in the Ural Mountains, is a dumping ground for nuclear waste. It is so radioactive that standing for one hour beside it would kill you.

10 DURING the 2014 Sochi Winter Olympics, President Putin ordered saliva samples to be collected from religiously conservative Muslims that lived nearby. This was done so their body parts could be identified if they turned out to be suicide bombers and attack the Games.

MEN PAY TO SEE ME SWING MY SAGGY BOOBS

SING WHEN YOU'RE SWINGING: Hayley rakes in a fortune

SMART Hayley Taunton knows a niche market when she sees it – she's making £20k-a-year letting people watch her swing her SAGGY boobs.

Hayley, 48, from Kettering, moved into the webcam business four years ago after she was made redundant from her job as a mobile phone customer service operator.

The mum-of-12 told *Sunday Sport*: "I was skint, totally on the bones of my arse when I read an article about webcam girls making a small fortune."

"I knew I wasn't hot enough to compete with the mainstream models but I knew I had something special."

"A certain type of bloke has always gone mad for my boobs – even though they're pretty saggy."

"So I did some research and joined a few webcam sites and now I'm making nearly triple what I used to."

"I also make custom porn vids where I just swing my boobs from side to side."

"I know, it's niche, but I'm happy with that."

'Groping footie ace' video probe

A VIDEO clip of football players groping a woman who had passed out drunk is being investigated by cops.

The footage, shared on WhatsApp, shows a top Israeli footballer apparently committing indecent acts on her.

Shocked Culture and Sports Minister Miri Regev said: "There's no place for such contemptible behaviour towards women."

No charges have been brought yet but cops are eager to speak to those involved.

By **GARY DORAN**gary@sundaysport.co.uk

TOP funnyman Matt Richardson has revealed former glamour girl Katie Price asked him if he'd ever WANKED over her.

Matt, 26, appeared on *Celebrity Haunted Mansion* alongside the pin-up model and said she introduced herself to him in a saucy way.

Revealing all on *The Chris Ramsey Show*, Matt raised eyebrows as he told the audience of the moment he first met Katie, 39.

He said: "She came up to me and went, 'How old are you?' I said, '26', and she went, 'Bet you have had a few wanks over me'."

Host of the chat show

Chris, 31, quipped "That is an opening line! Have you?"

But Matt told him: "No. Shut the f**k up!"

Matt also revealed Katie made him feel uncomfortable during filming because she was begging the ghosts to touch her.

He added: "We had Katie Price doing a séance, but the problem with Katie Price is, Katie Price is a very impatient woman."

"Katie is just going, 'If there are any ghosts in here, touch me now!' 'She made me feel so uncomfortable.'"

The unnamed shop owner – who passed the amazing footage onto *Sunday Sport* – said: "I've seen some sights in my 20 years in business, but this takes the biscuit. The arse biscuit, you might say!"

"I was trawling through the CCTV because I'd noticed

some stock missing and was looking for shoplifters.

"When I came across the bloke shagging the sex arse I almost fell off my chair."

"I'd love to know if any of your readers can identify the dirty f**ker, so I can tell him to pay for the arse."

Drunk auntie's fight with cops after goat trip

A DRUNK woman has been nicked for falling over a GOAT – then punching her nephew when he tried to help her.

Cops were called by a man who told them his aunt, Jan Strickland (above), had come into a barn on his farm to hold a goat.

But she was so intoxicated she fell on the animal and her nephew removed her.

While she was being dragged off, Strickland struck him in the chest three times and shoved him into a barn door.

The man's wife told officers she was in the barn at the time and saw the altercation.

Strickland was found by Santa Rosa County Sheriff's Office deputies asleep at the side of the barn and was unresponsive.

Once she was awake she became combative and tried to attack the officers, the arrest report says.

Strickland was arrested for domestic violence-related battery and taken to the Santa Rosa County Jail, Florida, where she is being held on a £170 bond.

HUBBY 'EGGED ON' DOG SEX WIFE

HOUND DOG: Sheila Johnson

A PERVERT couple are facing a long spell in prison after the wife admitted shagging the family pet dog in front of her husband, who had encouraged her.

Keylin Johnson, 52, and his wife Sheila, 44, were arrested when police were tipped off about their vile actions.

It is believed the mum-of-three and her hubby regularly indulged in bizarre and kinky sex sessions.

Sucked

But they took it to extremes when Sheila sucked off the pet Labrador and then encouraged it to mount her from behind.

When questioned by officers in

Dayton, Ohio, Sheila Johnson allegedly admitted one attempt of bestiality with the dog.

Court records state that she said her husband was interested in sexual role play and had encouraged her.

During his interview with police, Keylin Johnson declared: "I am guilty of internet porn and other stuff," and allegedly admitted he was addicted to pornography.

The pair were also accused of multiple other sex offences.

Police seized a laptop and a mobile phone belonging to the husband.

Sheila Johnson is scheduled to go to trial on July 31, while her hubby's trial was set for August 14.

WHAT STEPHEN HAWKING TOLD THIS LAPDANCER IN STRINGFELLOWS NIGHTCLUB

**BEST BREASTS IN
THE UNIVERSE:**
Stacey was space
boffin's favourite

By **GARY DORAN**

gary@sundaysport.co.uk

BOOB-LOVING boffin Stephen Hawking once told a sexy lapdancer she had the **BEST BREASTS in the universe!**

The theoretical physicist, who sadly passed away last week aged 76, was a regular at Peter Stringfellow's Angels bar and was always given the VIP treatment whenever he turned up at the London nightspot.

And blonde beauty Stacey Harper in particular caught his eye. The black hole-loving boffin and author always requested she sat at his table and kept him company whenever he visited.

Naughty

And Stacey, who quit stripping in 2008, said: "Stephen was amazing. I was surprised at how funny he was. I thought he would be all serious and miserable, but he was full of fun and had a really naughty sense of humour."

"Once you got used to his voice

thingy he was easy to understand.

"The second time he came in, about 2004, he asked for me specifically and when I sat next to him he told me in that slow electronic voice, 'I love your boobs. They are the best breasts in the universe.'"

"He didn't half make me laugh!" After retiring from stripping 34C Stacey, now 42, set up a mail order cat clothing company in Cornwall but still fondly remembers her time in the limelight.

She said: "It was brilliant. I met so many celebrities. Stephen was the best though. I suppose you don't expect an award-winning physicist to turn up to a table dancing bar."

"But he never talked shop. I don't think he ever mentioned a black hole to me – or even a brown one."

'Druggie doc's porn during surgery'

A PLASTIC surgeon did boob jobs while watching porn and high on drugs.

Hollywood doc Randal Haworth had a complaint filed against him in Los Angeles Superior Court on Friday saying he "regularly played hardcore pornography and videos showing extreme and graphic violence, such as actual beatings, on a monitor during some of his surgeries".

One patient also claimed in the filing the surgeon failed to disclose he was

having issues with his eyesight.

Haworth is accused of "regularly and unlawfully" using narcotic Percocet "including before and during his performance of surgical procedures".

He also took cocaine and Ecstasy, it's claimed.

Haworth (right) denied the accusations and called them "preposterous".

He has several famous clients, among them *Real Housewives of Beverly Hills* star Lisa Rinna.

MY FIRST TIME...

THEY always say you remember your first time...well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries - and sharing the spicy details of some other first-times, too!

Here we continue with two saucy stunnas from Belfast...

FIRST SEX

SANDY: I popped my cherry at the back of our local library when I was 17! I was pretty wild when I was younger and we all used to drink in the local park, which ran alongside the library.

One night I copped off with this guy and ended up having sex with him. It was far from earth-shattering, in fact I can hardly remember it, I was that drunk, but he seemed to enjoy it.

He kept calling me up after that, but I didn't want to go out with anybody. I was a bit of a slapper really.

GEMMA: My first time was soon after my 18th birthday. The guy I'd been seeing had arranged everything, and it was a bit of a shock really because he was the one who had been holding out.

We'd been seeing each other for a couple of months and he said he wanted to wait until our six-month mark. But he changed his mind and after taking me out for a romantic meal we went back to his place where he had covered the bed in rose petals.

It was so sweet. The sex was pretty good too. We only did it in the missionary, but he made me cum first with his tongue.

FIRST ORAL

GEMMA: I was seeing this guy at work, but no-one else knew, and one day he followed me into the girls' toilets.

At first I told him to get out 'cos I didn't want anyone to catch us together, but when he started kissing me I couldn't resist.

Before I knew it he had his hand down my shirt and was playing with my boobs. Then he slipped his hand even further down, into my knickers, and started rubbing me.

Then he asked me to be really naughty and suck his cock. I didn't really know what to do, but I figured it couldn't be that hard, so I sat down on the toilet and sucked him off.

Halfway through, someone came into the loo. It was so hard not to laugh and I'm sure she could hear his heavy breathing.

I still don't know who it was, but at least no-one caught us at it. It was such a horny moment. I'd love to do it again.

SANDY: I went to Germany on a college trip and ended up giving my exchange student's brother a blowjob in the steam room!

I was staying with this lovely family and the girl I got paired with had a really fit brother. We hit it off straight away and I could tell he fancied me.

We went to this old spa near Munich, and I ended up in a steam room with him. There was no-one else there so we started snogging and before I knew it he had his knob out.

I think he wanted sex, but I wasn't ready for that so instead I knelt down and gave him a blowjob. I was a bit shocked when

he came in my mouth, and I didn't know what to do so I spat it out on the floor. We got out of there straight away afterwards!

FIRST TIME BUM FUN

GEMMA: I'd gone to Italy to stay with a friend I met at college, and I met a really fit guy called Fabio. He looked a bit like a young Al Pacino and was also really experienced in the sack.

I ended up sleeping with him on my second night there after we'd all been out clubbing.

He did things to me that no other man had done, and when he asked if I'd do anal I thought, 'why not'. I knew I wouldn't see him again after that trip, so if things went wrong and I didn't like it there would be no embarrassment.

But he really knew what he was doing and I loved every minute of it. About 30 seconds after he got the whole length in I had an amazing orgasm.

SANDY: I've not got into bum fun properly. I've tried it a couple of times, but can't seem to relax

I love it when he shags me while I'm wearing my crotchless knix!

enough. The first time was with my ex-boyfriend, but his willy was too big for me, even though we used loads of lube.

Luckily, we put a condom on so when it didn't work out he just did me from behind, doggy style.

I've tried it a couple of times since with casual flings and I still haven't enjoyed it. Maybe one day I'll meet a guy who knows how to turn me on so much that isn't uncomfortable.

FIRST MASTURBATION

SANDY: I used to really fancy my friend's boyfriend, and because I couldn't do anything about it, I used to play with myself while thinking about him.

The very first time I was just kind of daydreaming about him in my bedroom when I realised I was getting wet down below. I put my hand into my knickers to feel and started rubbing myself. I came in about two minutes!

GEMMA: The first time I did it was in front of an ex-boyfriend. He got really turned on watching girls play with themselves.

He couldn't believe I'd never made myself cum before, so he encouraged me to do it with him there.

I felt a bit shy at first, but it didn't take long before I was feeling really turned on.

The next morning when I woke up I did it again, but this time on my own, and then

on his cock and just ride him without him touching me.

SANDY: I love being tied up. Not with handcuffs, they hurt, but with silk scarves. At the same time I like to be blindfolded. It's scary but horny when you don't know what the guy is going to do next.

My first sex toy was a vibrator, which I got a couple of years ago. I used it on myself first, then got my boyfriend to tie me up and use it on me. It was one of the most intense orgasms I've ever had. I just kept on coming.

FIRST DRESSING UP

SANDY: The first time I put a costume on in the bedroom it was purely by accident. I was taking part in a burlesque dance show and my boyfriend walked in while I was trying the outfit on.

He was really turned on by the corset, fishnet tights and feather boa. I wanted to keep it nice, but he couldn't keep his hands off me and we ended up having a major romp with it on.

I had to go out and buy another pair of tights because he'd ripped them trying to get them off me.

It's the roughest sex session I've ever had - and it was brilliant.

GEMMA: I once bought a basque to wear in the bedroom but ended up taking it off after five minutes. I do own a selection of seriously kinky undies though, just for the bedroom.

My favourite is a pair of crotchless knickers which I wear with nipple tassels. I love it when my fella shags me while I've got my knicks on. It's really horny!

Nat gets a thrill from slipping her undies ON!

NAUGHTY **Natasha Anastasia** is going to Ikea this weekend – because she needs **ANOTHER** wardrobe to keep her **VAST** collation of sexy togs in.

The 36C stunna, from Newham, East London, said: “Whatever a woman’s shape or size, nothing will make her feel sexier than slipping into some silky lingerie and a pair of heels.”

The 22-year-old added:

By **WENDY THOMAS**
news@sundaysport.co.uk

“But I confess I’ve gone a bit far. I can’t walk past a clothes shop without buying a new set of undies.”

“I think I have more than 300 pairs of sexy undies and bras.”

“I have more pairs of shoes and knickers than you can shake a stick at!”

“Now I’ve run out of room.”

“Or maybe I could sell my old undies? What do you think?”

“Would anybody buy them?”

CLAIRE LENG

By REX ROWLANDS

rex@sundaysport.co.uk

STUNNING Claire Leng could have been a professional ballet dancer but gave up her tutu and slippers to make a living getting her kit off.

Now, 38, back in the 90s and early noughties Claire was a regular in the *Sunday Sport*, where readers were very taken with the sight of her pert 34C boobies.

She also stripped naked and posed for full-on girl-girl

photoshoots and appeared totally in the nuddy for an Italian edition of *Playboy* magazine.

But her ballet training didn't go to waste as Claire was a regular on the stage at Stringfellows club, where she stripped and danced for a host of celebrities.

She also indulged in explicit American-strength held-open shots, which were a hit with fans, and copies of the mags she appeared in are now being traded online for up to £20-a-pop.

I'LL HAVE WHAT HE'S HAVING!

It's a St Paddy's Day bonkathon on

TELEVISION **X**

A BIG night down the local boozer on St Patrick's day is always a guaranteed laugh with the lads.

In recent years people have been turning the Irish event into a grand excuse to try and pull the barmaid they've always fancied, or to take a pop at the local hottie.

Now a Brit porno production powerhouse has a truck-load of filthy films that show exactly how it's done.

Watch as two lads get lucky

and inspire three loose ladies to get down and dirty in a 5-way orgy on the snooker table after closing time.

Or the legends who managed to get the barmaid to crack enough smiles that she ended up getting her crack out!

STICKY MESS IS DEE-LICIOUS!

SWEET treat Mandy Dee whipped herself - and tons of fellas - into a frenzy with her creamy photoshoot.

The stunning blonde squeezed white stuff all over her 36D boobs and even

By WENDY THOMAS

squirted the sticky cream on her bare fanny.

Mandy, 28, from Barnes, London, enjoys shagging outdoors and said: "Naked sunbathing not only gets me

really horny, it also helps me get an all-over tan.

"Shagging outside is amazing too. My neighbour caught me soaking up the rays nude in my back garden, hopped over the fence and soon had me bent over my sun lounger.

"I was scared we'd get caught as I was screaming so loudly, but it added to the thrill."

PICK

TODAY

MONDAY

24 Hours in Police Custody – C4, 9pm

INCREDIBLE behind-the-scenes action of a police investigation.

This episode sees a young officer investigating a suspected case of 'cuckooing'.

That isn't when a man watches his

missus getting banged senseless by another bloke but when evil drug dealers exploit a vulnerable person to use their house as a base for their criminal actions.

And when the cops finally get their woman her ridiculous denial is a thing of wonder.

Big-hearted show for little motors

Car SOS – More4, 9pm

THE motor show with a big heart, this week sees the boys head to Eastbourne to restore a 1962 Mini Cooper belong to a farmer called Keith.

Back in the day, he used to race the brilliant little cars but a serious heart condition forced him off the track and his beloved car has faded into ruin, until the team come to the rescue.

Fun Fact: Mechanic Fuzz Townsend used to play drums with the bands Pop Will Eat Itself and Bentley Rhythm Ace.

OF THE TELLY

By **BARNEY SAMUELS**

It's moving up a Gear!

Top Gear – BBC2, 8pm

THE fourth episode of the third series without Clarkson, May and Hammond and the BBC show is finally getting into its stride.

The banter maybe forced at times and the jokes sometimes fall flat but that doesn't matter much because it stands up where it counts – as a show about cars.

This week Matt LeBlanc risks his eyesight in the world's fastest accelerating car, while Chris Harris has a more sedate look at the enduring appeal of the Citroen C2.

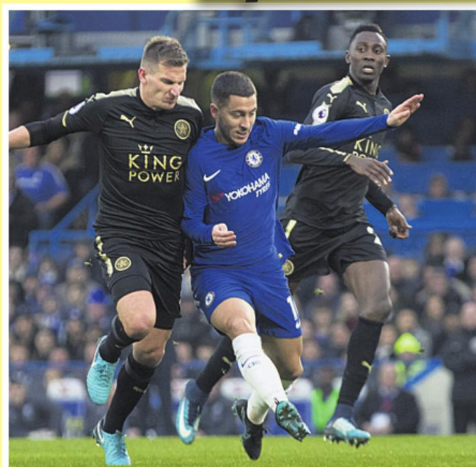

Countryfile – BBC1, 7pm

WAIT, come back! This show isn't all people in anoraks banging on about subsidies, organic farming and the best way to wank off a pig.

No, this show also has some of the hottest women on television getting down and dirty on the farm.

This week you get to see the stunningly sexy Ellie Harrison don her ultra tight leggings and walking boots to hike along the coastline of Pembrokeshire in Wales.

Which means lots of shots of her lovely bottom as she strides away from the camera. What a lovely teatime treat!

FA Cup Match of the Day Live: Leicester City v Chelsea – BBC1, 4.05pm

IT'S been a season of underachievement for both these sides, what with Leicester flirting with relegation early on in the season and Chelsea being dumped out of the title race by Christmas (they're also out of the Champions League, of course!).

So the chance of FA Cup glory for both these teams would be a real boost for their fans.

The smart money's on Chelsea – but obviously this is the fabulous FA cup and who knows what might happen.

TUESDAY

Shetland – BBC1, 9pm

THE climax of this six-part series sees the brooding Scottish copper finally tie up all the loose ends of the 23-year-old murder that saw a man wrongly pending two decades in jail.

It's gripping stiff and Jimmy Douglas is an absolute master at 'quiet anger'.

As the truth finally emerges it reveals a far bigger crime than anyone was expecting.

The 100-year-old Driving School – ITV, 7.30pm

THIS is one of the most unexpectedly joyous TV shows on the box.

It should be dull as ditchwater because it's just old people taking a driving test, but it's somehow heartwarming and life-affirming.

This week a former stuntman who has a world record for the most car crashes and a former army major see if they have to hand in their licence.

DON'T MISS THIS!!!

Netherlands v England – Friday, ITV, 7.30pm

DEPENDING on how things turn out between the UK and Russia, England have just four friendlies between now and their World Cup match against Tunisia.

And while the Dutch never made it to the finals, they will still present a good workout.

Sadly it looks like Harry Kane will be missing for the Three Lions, which leaves them short up front.

THE WORLD FAMOUS AGONY Page

Dear Dani,

My wife wanted to spice up our love life this Christmas, so she went to a sex shop and bought herself a 10-inch strap-on. I wasn't keen at first, but after a few large whisky and Cokes on Christmas Day she managed to persuade me to have a go. We went upstairs and after I'd licked her fanny and had my cock sucked, she grabbed the dildo and buckled it on. I was still a bit nervous, but I knew she wouldn't hurt me on purpose. We'd also used plenty of KY Jelly, so I thought I'd be okay – which, of course, I was. The problem is that I got right into it and was soon moaning my head off with pleasure. The missus was annoyed because she had to do all the shagging. Do you think she is being a tad unreasonable?

LT, Newcastle

Dani says...

WELL, she did buy it. You have to respect her needs too.

Dear Dani,

I WENT to a works bash the other week, got totally legless and ended up shagging a right old boiler. I'm 23 and she's 47 with a thumping great pair of tits and a huge arse but I was so pissed I didn't care. I had her knickers down and my cock up her in no time, and after I lost my mess she even gave me a nice wet blowjob to boot. When I got in to work the next day there were posters of me groping and giving the old bird one stuck up on all the walls. A "pal" had snapped us on the job with mobile phone, blew up the pictures and printed them out them. I'm a laughing stock. What do you reckon I should do?

DN, Manchester

Dani says...

I've no sympathy and think you're a pig for being rude about this lady.

My nightclub exploits put pal's record in the shade

Dear Dani,

I'M a 24-year-old fella and I went out clubbing with my mate the other night.

It was the third night on the trot that I'd been out and I had big bags under my eyes, so I decided to wear sunglasses.

Me and my pal always like to have a competition to see who can pull the most babes in a night.

And to be honest he usually wins – but not on the night I wore my shades.

Ready

Girls kept coming up to me and asking if I was famous and, as you would expect, I told them I was.

By the time we were getting ready to leave the club I'd already copped off several times, while my mate hadn't managed one.

Then, right at the end, a pair of stunnas started chatting to me. They were sure they'd seen me on telly.

They invited me back to their place and

Dear Dani,

I CAME home from work early the other day to find my wife on the couch licking our next door neighbours' daughter's quim.

I was shocked but I soon got aroused when the dirty 20-year-old unzipped my flies and started sucking my cock as my wife slurped at her clit.

Then my wife told me she wanted me to shag the girl while she sat on her face. Me and the wife are both 46, so getting to shag that pretty young pussy was the best thing that has happened to me for ages.

I took my time, rubbing my helmet against her shaven pussy lips before pushing it in and out for half-an-hour until we both came.

Then the girl sat on my wife's face while I shagged the missus. By this time I was knackered – I'd had a hard day at work – and I lost my hard-on and kept slipping out of her chuff. After the tightness of the lass's pussy the wife's seemed slack..

We gave up after a while but the girl wants more. My wife has got jealous, though, and says I'm not allowed to shag the girl again. What do you think?

Dani says...

ASK your wife if the girl can come round on your next day off work.

it wasn't long before had both of them slurping on my rock-hard dick.

And I really couldn't believe my luck when they broke off from pleasuring me and started on each other.

My eyes were nearly popping out of my head – good job I was still wearing my sunglasses – as they licked and sucked on each other's nipples at the same time as fingering each other's sopping fannies.

And when one of them went down on her pal I thrust into her doggy style. I slapped her arse playfully, which she really seemed to enjoy, as she licked out her friend's shaven pussy, lingering over her swollen love bean with her darting tongue.

And then I got them to swap over and I f**ked the other girl as well.

It was the best night's shagging of my life and I couldn't wait to tell my pal all about it the following day.

But when I phoned him he was pissed off because I'd left him in the club. He said he didn't believe me anyway and he hasn't spoken to me since. What should I do?

DM, South Yorks

Dani says...

GIVE him a go of your sunglasses.

I read a book once...
The Kama Sutra!

PHWOAR!
That's that
Indian book
about shagging!
Bet that was
good! Learn any
good positions?
Why not show
me one!

And I'll tell you
another cracking book,
Beyond Resemblance -
it's basically about
abstract art and global
conceptualism

Mint, I might read that
after I've finished that
Quantum Leap thingy
book, whatever f**k it
is, innit?

Bexi says...

THEY do say that
a good way to pull
is to read books in
public places like
parks and pubs!

ALL THE BIG CHAMPIONSHIP ACTION

Birmingham 0

Millwall 1

THE Lions extended their unbeaten run to six league games and in the process ending Blues' recent good run of form.

Blues were on top with Jeremie Boga going close early on and Craig Gardner having a shot blocked before Millwall almost took the lead through a Jake Cooper header that hit the post.

After the restart Millwall looked slightly the better side and Fred Onyedimma fired home the winner.

Burton Albion 0

Nottm Forest 0

THE Brewers couldn't find a way past 10-man Forest despite holding the advantage for an hour and dominating.

Things were even until Eric Lichaj was red carded for a wild challenge on Martin Samuelson after 28 minutes.

Burton kept pressing after the break with Darren Bent heading over the bar and Martin Samuelson's long range effort saved by Pantilimon.

WINNER: Sean Morrison
Cardiff City 1

Middlesbrough 0

THE Bluebirds went second with this hard-fought win over Boro.

Not a day for the purists as both sides played physical, direct football with little in terms of genuine chances on offer until Sean Morrison headed home from a Junior Hoilett set-piece just before the break.

The game remained gritty with little true goalmouth action despite Boro's attempts toward the end.

Fulham 2

Aston Villa 0

THE Cottagers extend their unbeaten run to 10 games and move to within six points of second-placed Cardiff.

A goalless opening half saw both sides feeling each other out but it was Fulham who took the lead just seven minutes after the break through Ryan Sessegnon's strike into the bottom corner.

The clincher came from a sublime 35-yard strike by Floyd Ayite to seal the three points.

I WISH WE HAD CANARIES CASH

POOR RELATION: McCarthy lacks a big budget

Mick: We're above Norwich despite being skint

IPSWICH boss Mick McCarthy says he can't compete with Old Farm rivals Norwich.

The Tractor Boys work on a much smaller budget than their rivals from Carrow Road.

And the former Ireland gaffer says his hands are tied when it comes to the transfer market.

McCarthy said: "I've been asked if I'm surprised they're not above us.

"I guess, with the money they had coming down from the Premier League and the players they've spent it on, then yes I am.

"They've had a few more quid than we've had to spend, let's put it that way. We've

Norwich City v Ipswich Town

Sunday, noon kick-off, on Sky Spts Football

got them beneath us, although they're on the same points, as well as Hull and Sunderland - who have £96m over the next three years to spend.

"Those teams should be better but it doesn't always work that way.

"I keep hearing stories about ones who are running out of parachute money, them included, who are going to have to budget accordingly.

"I'd like to see a few more on my budget and see how they do, to be honest. That would be quite interesting."

Norwich boss Daniel Farke

is a big admirer of the man in the Portman Road dugout.

Big Mick has never beaten the Canaries and the axe always seems hanging over him.

But Farke is a big admirer, saying: "I am full of respect for his career. He has worked so long in this business and that is not easy.

"You have some good times as a coach and some times when it is tough and you are struggling a bit.

"In his whole career he has been very successful and I would hope that one day I can look back on such a long career at this high level.

"I only have big compliments for Mick. He is a brilliant person and a brilliant character."

RESPECT: Daniel Farke
Preston NE 1

Wolves 1

WOLVES came from behind to rescue a point against 10-man Preston but saw their lead at the top reduced to 11 points.

A poor first-half ended goalless and it burst into life when the Lilywhites took the lead with an Alan Browne header following a cross from Robinson.

Midfielder John Welsh then saw red for two bookable offences and Wolves quickly took advantage by levelling through Helder Costa.

QPR 2

Bolton Wand 0

THE Hoops deservedly won this game but left it late to seal the win against a side that played with 10 men for most of the second half.

Rangers were on top in a goalless opening period and things were made easier when Little received a straight red on 52 minutes.

Joel Lynch opened the scoring soon after and Matt Smith sealed the points right at the death.

BEES STINGER: Mokotjo
Sunderland 0

Brentford 2

THE Black Cats' bad home form continues as the Bees won this game so comfortably it was like a friendly.

Kamohelo Mokotjo smashed home the opener on 15 minutes following some woeful defending and that was quickly followed by a neat flicked finish from Neal Maupay.

Geroge Honeyman hit the bar for the hosts but that was a rare moment in a game controlled by Brentford.

Leeds Utd v Bristol City

Sunday, 4.30pm, Sky Spts Football

LEEDS manager Paul Heckingbottom wants to get one over on old pal Lee Johnson.

The two gaffers worked together at Barnsley and the United gaffer is looking for his first win over the Bristol City manager.

He said: "Jonno knows we will be hell bent on beating them and he will be the same but there is an appreciation for the job the other is doing.

"We worked pretty closely together with the first team at Barnsley."

They will no doubt make several changes to their regular first team line-ups with minds very much on Champions League second legs and Premier League matches to come, rather than making it to the last eight of the FA Cup.

You can't blame them. One culprit that seems to have so far escaped having the finger pointed at it is the Champions League.

MERV'S FACT HUNT

This week's Fact Hunt is: Can you name the four pairs of brothers to appear in the English Premier League?

GOLDEN GIRL: Yarnold

Gold for Yarnold on Super Saturday

WINTER OLYMPICS

LIZZY Yarnold struck gold again on "Super Saturday" for Great Britain at the Winter Olympics.

The defending champ took top spot in the skeleton, with team-mate Laura Deas winning the bronze.

And there was a first ever medal for a Brit on skis as Izzy Atkin finished on the podium in the ski slopestyle.

Yarnold is the first Great Britain athlete to defend a Winter Olympics title.

And she did it in style, coming from second place to snatch glory on her fourth and final run.

Yarnold said: "I'm overwhelmed and exhausted. I don't really know how it happened."

"After the first run I wasn't sure whether I was going to be able to finish the race because my chest infection was so bad I was struggling to breathe and I got here only with the help of my team."

"Honestly, after the last few years the aim was to get to the Olympics, I wasn't thinking about medals."

"But to achieve that is the stuff of dreams, as is sharing the podium with Laura, who's been amazing."

Chasing

Deas was thrilled to get bronze as two Brits made it to the podium in the same event for the first time.

She said: "I just can't believe it's happening. It's like a dream. I thought it would be snatched away at the last minute. I'm so pleased for Lizzy Yarnold too."

"It was a nice position to be in – chasing the pack going into today. I always knew consistency would win."

Atkin is the youngest member of Team GB as just 19. But she held her nerve to take bronze on the slopes.

She said: "I still can't believe it. I'm really overwhelmed. I'm just really happy."

"I'm really proud of how I skied in that last run."

"I would have been stoked with anything but I am really happy with third."

There was more woe for Scottish speed skater Elise Christie as she crashed out of the 1,500m semi-final.

X-rays show she hasn't broken her ankle after a heavy fall – and she's hoping to be fit for Tuesday's 1,000m event.

SUPER SALAH: Mo's Liverpool were on top form against Porto

CONNECT FOUR

GOING into this week's Champions League first leg last 16 ties BetVictor bet 16/1 all five EPL sides made it through to the quarter-finals.

With due respect to the emphatic wins on the road of Liverpool and Manchester City the best performance midweek came in Turin where Spurs showed they had come of age in coming back from a nightmare start against Juventus.

Loan

BetVictor now bet 5/6 that four or more of the last eight in the competition are from the Premier League and the same price three or fewer.

That 16/1 for all five PL sides to reach the quarters is now just 5/1.

Harry Kane returns to Rochdale this afternoon and it all began for the England skipper at Spotland where he made his debut for Leyton Orient when on loan at the O's back in January 2011.

Whether Kane is selected or not against Dale today I cannot

English sides have big say in Europe

see past a Spurs win (1/7) although I do not think it will be the mauling many are predicting.

I am looking forward to seeing Lucas Moura although quite what he will make of the Spotland pitch who knows.

Manchester City travel to Wigan in the fifth round of the FA Cup tomorrow in a repeat of the 2013 final when Wigan rocked City at Wembley courtesy of Ben Watson's solitary goal.

The clubs have gone their separate ways in the interim period and it is hard to believe the Latics can beat Pep Guardiola's side despite the fact that the hosts have won their last six home FA Cup ties including victories against Palace, Bournemouth and West Ham.

City put four past Basel in the St Jacob Park midweek and I believe Pep Guardiola's side will take

another small step to a possible clean-sweep of major trophies this season.

City are 9/2 with BetVictor to win the domestic treble of PL, League Cup and FA Cup and 16/1 to add the Champions League to what would be an unprecedented haul.

Massive

The Latics are 16s at BetVictor to burst City's bubble and 7/1 to get a replay with the champions-elect 1/7. Paul Cook's side are 2/5 to win the League 1 title and that must be their priority.

That said nothing would give massive Liverpool fan Cook greater pleasure than putting one over City and, remember, few gave Wigan any chance at Wembley back in 2011.

★ At Market Rasen today (3.15) might be worth a second look for Dan and Harry

Skelton in the valuable two-mile handicap hurdle.

Note the yard also saddle the talented top-weight Bertimont, who is making his belated seasonal reappearance, and Whatzdzazz but it is Solomon Grey who I feel might be the best handicapped of the trio.

The Skeltons also saddle likely favourite Captain Chaos in the 3m Novices' Chase but he was disappointing at Wetherby when last seen at Christmas. Ozzy Thomas (3.50) lost little in defeat in a competitive handicap at Ludlow when last seen and can go one better despite the fact that he would be receiving 7lbs if this were a handicap.

Donald McCain has his string in good form and I think this trip and track will suit Freddie Portrait (4.20) and if the blinkers work the oracle first time out then I expect to see the nine-year-old go very close.

CUNNING FOX: Mahrez

Mahrez bites back to action for Foxes

LEICESTER boss Claude Puel admits it's a relief to have Riyad Mahrez back in his team.

The Algerian spent some time away from the squad after being denied his deadline-day move to Manchester City.

It looked as though he might have played his last game for the Foxes and there were concerns that the home fans would turn on him.

But that couldn't have been further from the truth as Mahrez got a heroes' welcome at King Power when he played against Sheffield United in the FA Cup on Friday night.

He linked up well with Jamie Vardy to create the goal that decided the tie.

And Puel was thrilled to see his strikeforce back together.

The Frenchman said: "The most important thing was to win the game but also to see again Jamie and Riyad playing together in the same game and on the same pitch."

"It was a good feeling and it was important and we appreciate the good support from the fans for Riyad."

"It was important they remained with him after this story and it's a good feeling for the future."

Forward

"He was a little frustrated at the end because he wanted to score for the fans."

"It's important to stay united about this, it's a good thing and we can move on."

"The situation is behind us, it's important to look forward."

While many foreign managers are criticised for treating the FA Cup as a second-class competition, Puel put his strongest team out against the Blades.

With the Foxes sat seventh in the table, they can go full tilt at the famous old trophy.

For a successful team, the lack of an FA Cup leaves a big hole in Leicester's roll of honour.

They have been beaten in four finals but haven't been in the last two since 1969.

Puel is aware of the history and wants to put it right.

He said: "It's a crucial competition for us, and also the Premier League."

"There are 11 Premier League games left, and we have the FA Cup, and we need to play all these games with conviction and desire."

FA CUP PREVIEW: ROCHDALE v TOTTENHAMSunday, 4pm
kick-off – on BBC1

MO'S PITCH POOR

Spurs boss apologises for Spotland moaning

MAURICIO Pochettino has said a big sorry to Rochdale for bleating about their pitch.

The Spurs gaffer went way over the top, saying his players were in danger on the Spotland sandpit.

The League One side have spent a big amount of cash for a club their side in relaying the surface before the Londoners come to town.

Mo Po realises he went way over the top whining about the playing surface.

He said: "I want to apologise if anyone at Rochdale, such as the chairman, took it in the wrong way.

"After we beat Newport in

By PAUL THOMAS

the fourth-round replay, their manager Michael Flynn showed me a picture of the pitch and it wasn't great.

"I wanted to ensure their players and my players would be safe, but I was always very respectful.

"But now I have seen pictures and videos of the new pitch on the Rochdale website and I need to congratulate them.

"The effort was massive, to put in a new pitch so we can play the match without risk.

"I was always confident and trusted them that they

would be able to fix the problem."

Harry Kane may not have to set foot on the new pitch after twisting an ankle in Tuesday's 2-2 draw at Juventus.

It's not a major problem but will be enough to keep him out of the starting line-up against Rochdale.

Pochettino was already planning to leave out much of the team that played in Turin with Harry Winks, Fernando Llorente, Moussa Sissoko and new boy Lucas Moura all expected to play.

The Argie said: "Harry twisted his ankle and received some knocks. We need to assess on Saturday

if he is fit. Maybe he will have the chance to start, but if he is not 100 per cent, he may be on the bench.

"If we decide he is not fit enough even to play half-an-hour or 20 minutes then he may stay in London with other players. We need to decide whether he has a chance for Sunday."

Moura is in line for his first start since moving to London from PSG for £25million last month.

Pochettino is liking what he sees from the Brazilian in training.

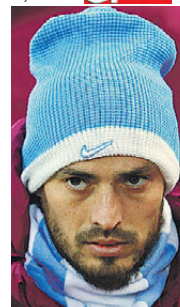

He added: "We are pushing him and we are thinking about giving him a chance to start the game. We are so

happy with him, the way he is working. We will assess him but maybe he has the chance to play."

Rochdale boss Keith Hill is looking on the bright side. He said: "We've got a very good young squad. A lot of these players I believe can play at a higher level and this is an opportunity to show that they can at least compete against what is an outstanding Spurs side."

"To get to the fifth round for only the third time in the club's history is already an achievement but we're trying to win.

"It's highly unlikely but we have to plan to be successful."

COMEBACK: David Silva

Guardiola polishes his Silva for Wigan

Wigan Athletic v Manchester City
Monday, 7.55pm, live on BBC1

PEP Guardiola says any team that can beat Bournemouth will be a threat to his City slickers.

Wigan stunned the Cherries to book a place in the last 16 of the FA Cup.

And Pep is ready to send out a strong side to make sure they don't become another victim of the League One high-flyers.

That could include David Silva who has been out with a back injury.

The Spaniard came on as a sub against Basel in the Champions League and is expected to play some part at the DW Stadium.

Guardiola said: "Of course I am concerned because I saw the game against Bournemouth."

"They are one of the teams I like to watch the most in the Premier League and Wigan were able to beat them."

"I think in the FA Cup there are a lot of surprises, not just this season or previous seasons."

Final

"All throughout history you always have these kind of situations happen."

City have the Carabao Cup final coming up next weekend but Guardiola is not thinking about that just yet.

The Spaniard added: "It would be good for my players not to think too much of the final next Sunday."

"They think about the final next Monday."

"I think that is the important thing for that game."

"It's one game, the chance to go to the quarter finals and we are going to prepare as much as we can."

Wigan boss Paul Cook is looking to the Latics fans to give him underdogs a boost.

He said: "We've got a fantastic stadium and the support inside it will make it a really good atmosphere, that's a guarantee."

"Everyone can look forward to a good night of football."

"Football has a funny way of sending out shock results and our belief on Monday night must be that we can win the game."

GIROUD'S GOT THE BLUES

OLIVIER Giroud says he can be a major asset for Chelsea in their Champions League battle against Barcelona.

The Blues take on the Catalans on Tuesday night and the Frenchman is hoping to play a part.

He showed his quality in his first goal since moving across London from Arsenal.

The Barcelona defenders won't come up against a tall, physical attacker like Giroud very often.

And he hopes his already good relationship with Chelsea

By ANDY MILLOM

boss Antonio Conte can propel him into the Champions League line-up.

Giroud said: "Of course us strikers, they need a real human relationship with the coach."

"It's nice to have the confidence of the coach, of the staff, and I just want to give it back."

"I feel like the last two opportunities I've brought my small thing to the big machine, Chelsea."

Although Barcelona will offer

a much bigger challenge than Championship Hull, Giroud thinks the morale boost from the win can help.

He said: "This confidence is very important so we must carry on like that. We need momentum and everything is going in the right way."

"We are very pleased with these last two games. So, yeah, let's carry on against Barcelona this week!"

Conte is bracing himself for a massive run of games with the two Manchester clubs coming after the Barca tie.

After losing against Watford

and Bournemouth, the boss is looking for better.

He said: "I think that we lost two bad games, especially against Watford."

"But we played those games at the end of a busy period, a very busy period, I think that we played a lot."

"Now, we are again with the right confidence, but don't forget in the next two weeks we have to play massive games and we must be strong to face the games against Barcelona, United, City – then Barcelona again – in the right way, but we are ready."

REPLAY: Carvalhal

Draw's a big bore for both bosses

Sheffield Wed **0**
Swansea City **0**

CARLOS Carvalhal was left frustrated after Swansea were held to a draw by former club Wednesday.

The Portuguese is battling relegation from the Premier League so an FA Cup replay is the last thing he wanted.

Carvalhal would have liked a penalty shootout after 90 minutes — and believes Owls boss Jos Luhukay agrees with him.

The Swans gaffer said: "It's a score nobody wants."

"I also believe it's the same for Sheffield Wednesday — one more game for them too."

"Maybe in the future we can think that if the managers and referee agree after the first game we can go to penalties and we can finish the game today."

"I believe if you had asked us and the Sheffield Wednesday manager, we'd have gone to penalties."

Chances were few and far between. Wednesday bossed the first half but the Premier League side came into it more after the interval.

Injuries

And it seems that Luhukay agrees with Carvalhal about a replay being a giant pain in the backside.

He said: "We didn't want a replay because we have so many games and lots of injuries."

"But we are still in the FA Cup and have a chance to get to the next round."

"First half we were the better team and in the second half Swansea were better so in the end it is a draw which both teams must enjoy."

"I'm proud of my team. We played the first 25-30 minutes good and we were direct from the beginning. The first half we played good football but couldn't score a goal."

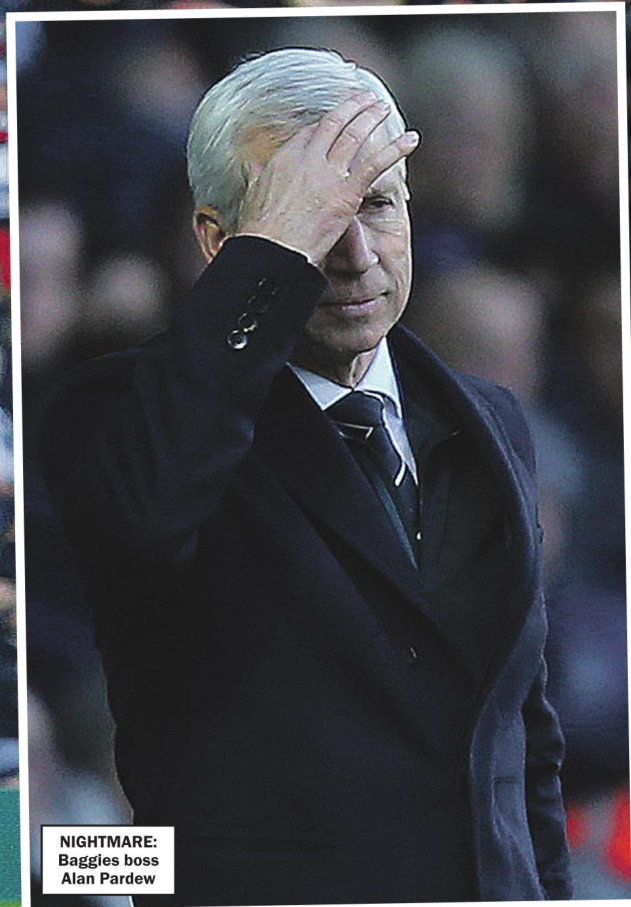

"We have a difficult situation and a very small team now."

"Most of the time it is difficult, getting 20 players day to day but we have positive thinking."

Wednesday came closest to getting a winner in the second minute when Kris Nordfeldt in the Swansea goal pulled off a good save from an Adam Reach shot.

Pressure grows on West Brom boss after Cup KO

WEST BROM manager Alan Pardew's week went from bad to worse as Southampton dumped the Baggies out of the FA Cup.

Saints defender Wesley Hoedt took advantage of awful marking to fire the visitors in front early on.

Then Dusan Tadic put them two up with a lovely chip after a quick counter-attack.

Salomon Rondon scored a screamer to keep the Baggies in touch — but they couldn't force a replay.

Barcelona in the early hours of Friday morning.

Johnny Evans and Gareth Barry were given the nod — but the Northern Irishman was stripped of the captaincy after the bizarre incident.

Jake Livermore is injured and Boaz Myhill took his place on the bench. There was no sign of the injured Daniel Sturridge.

Gareth McAuley sported the arm-band in a surreal atmosphere at The Hawthorns.

Despite his troubles in the Premier League, Saints boss Mauricio Pellegrino made just one change with

Nathan Redmond coming in for Oriol Romeu in midfield.

With the club rock bottom of the Premier League, the last thing the Baggies fans wanted to read about is hijinks in Spain.

Testimonial

The game was played out in front of thousands of empty seats and there were audible groans when Evans and Barry were announced before kick-off.

And that atmosphere reflected the action on the pitch, where the game was played at testimonial pace before the break.

The visitors opened the scoring

after 11 minutes thanks to some chronic defending by the home side. James Ward-Prowse curled in a corner and Hoedt had the freedom of the West Brom penalty area before volleying the ball past Ben Foster.

Evans must have been wondering where his cab was as he ball-watched.

The Baggies had a sniff when Rondon fired in a free-kick that went over the bar after catching the Southampton wall.

James McClean gave the home fans something to shout about when he smashed in a long-range effort that swerved just the wrong side of the Saints' post.

DELIGHT: Locadia

BRIGHTON'S record signing Jurgen Locadia scored on debut as Albion cruised past Coventry.

The Dutch hitman looks good value at £14m from PSV as he turned in an Anthony Knockaert cross.

The League Two side were always on the back foot after that 15th-minute strike.

It was no surprise to see Connor Goldson double the home side's lead with a header from Markus Suttner's corner.

That's a great story too as it was his first strike since battling back from emergency heart surgery 12 months ago.

The tie was ended on the hour mark when Leonardo Ulloa scored his first goal since moving back to the south coast on loan from Leicester.

He was in the right place at the right time to nod in Bruno Saltor's classy centre.

Consolation

Coventry had their moments and almost got the first goal when Jonson Clarke-Harris rattled the bar with an early header.

The same Sky Blues player had the post rattling again after going 3-0 down.

And he deservedly got on the scoresheet when latching on to a poor clearance by Goldson to get a late consolation.

The only low point of the afternoon for Brighton came when goalkeeper Tim Krul was injured after a collision inside his penalty area.

Goldson is delighted with the win, that sees Brighton into the FA Cup quarter-final for the first time since 1986.

He said: "It was a tough game."

"We said before then game we're going to have to be on it. We had to set the tempo."

"We've been the underdog a few times and I think Coventry should be proud of themselves, they had a good go."

"We'll now take it game by game and see how far we go in the FA Cup."

"We'll see who we get in the draw and see if we can get all the way to Wembley."

the front foot and it took a smart save from Foster to keep out a deflected Mario Lemina effort.

The half-time whistle went as the players indulged in handbags at dawn in the centre circle.

Deflection

It came after Guido Carrillo caught Ahmed Hegazi as they jumped for a header. The booked Saints forward had his eyes on the ball but the Egyptian made the most of it.

West Brom looked a bit brighter after the break and Jay Rodriguez brought a great save from Alex McCarthy in the Southampton goal.

He reacted brilliantly to turn the

ball wide after the long-range shot took a wicked deflection.

But the optimism for the home fans was short-lived as the visitors doubled their lead on 56 minutes.

It was a sharp counter-attack as Carrillo found Tadic on the edge of the Baggies box. He controlled the ball and chipped it over the onrushing Foster and into the net.

Rondon brought it back to 2-1 within seconds with a rare piece of quality from the home side.

He superbly volleyed home a Grzegorz Krychowiak long-range pass from an acute angle to give McCarthy no chance.

And it was almost 2-2 on the hour

mark, McCarthy pulled off a brilliant reaction save after Hegazi got his head on a McClean corner that caused havoc in the Southampton six-yard box.

That forced the Saints to sit a little deeper and they managed to close the game down for the next 10 minutes.

McCarthy kept beavering away out wide and forced McArthur into a save with a shot that bounced awkwardly in front of him.

Matt Phillips hasn't scored since October and his finish was poor when found in space at the edge of the visitors' box. He couldn't keep his shot down when under no pressure.

The Baggies came close to an

equaliser as the Saints' defence panicked. First Hegazi's miscued volley hit the crossbar, then Rondon's header was nodded off the line by Ryan Bertrand.

Southampton could have secured the win when sub Josh Sims made Evans look like the ageing defender he is by streaking past him.

He teed up Ward-Prowse but his shot was straight at Foster.

The home keeper went up front for the dying seconds at West Brom knocked at the door but Southampton closed out the game.

Just 17,600 were there to see it and there were loud boos as Pardew applauded the fans at the final whistle.

GET JOSE OR I GO!

Neymar makes shock PSG demand

NEYMAR has told Paris St Germain to get Jose Mourinho — or he'll sign for Real Madrid.

The Brazilian ace has laid down the law to the French giants after their poor show against the Spaniards in the Champions League.

They trail 3-1 from the first leg in the Bernabeu

By JOHN ANTHONY

— and Neymar is pointing the finger squarely at boss Unai Emery.

The former Barca hit-man was brought to the French capital with the promise of signing the names to win Europe's Premier competition.

With that looking less likely this season, Neymar is already running

out of patience. He knows that Real will do all they can to sign him this summer so he's throwing his weight around in Paris.

He has never got on with Emery and wants Mourinho to take his place.

Even though the Portuguese has just signing a new contract at Old Trafford, PSG would be willing to at least try to

get him to keep Neymar at the club.

And he hasn't stopped at demanding a new boss.

Neymar thinks Edison Cavani isn't good enough to partner him in attack.

And he is looking to Old Trafford for another massive signing — he wants Paul Pogba to replace Giovanni Lo Celso in PSG's midfield.
